That's alright. Not sure when your case will get picked, but I wanted to let you know that I may have a Superior Court case in Pittsfield this week as well. IT is suppose to start on Wednesday, but I probably won't be needed until Thursday morning. Also, just a reminder that I will be on vacation next week, so I obviously will not be available to testify.

Hi Sonja...just in case you are still in the office I'm sending an email. You're all set for today...Judge Moriarty took a number of pleas this morning into the afternoon, but then chose another case to start a trial. I think I have your cell # so I'll try you on that. Thanks!!!

Eileen-

Please call me on my cell instead of at the lab on Monday if I am needed. Thanks.

Eileen-

The only summons I have for that day so far is for Belchertown District, and we've never had to actually testify there. I'll email the ADA to see if anything has changed in the case and whether or not it looks like it will go to trial. (If it does go to trial, I'm guessing that I would be done by noon-ish) Also, I have absolutely nothing scheduled for Tuesday, 9/27/11, so depending on how long it takes to get a jury and how quickly the case proceeds, tomorrow would work as well.

Also, here's my schedule for the next couple of weeks:

Trial Date	Court
9/21/2011	Fall River District
9/22/2011	Springfield District
9/22/2011	Wareham District
9/26/2011	Belchertown District
9/28/2011	Belchertown District
9/28/2011	Chicopee District
9/29/2011	Fall River District
9/30/2011	Springfield District
10/03/11 -> 10/07/11	on vacation

Hi Sonja...this case has been sent to a trial session and may be called into trial this Monday, 9/26/11. If the Judge intends to start that day, I was hoping to get an idea if that would work for you or if you were slated to be in another court or otherwise occupied. Let me know if that will be ok...I have 3 police officer witnesses that would precede you, so if its tricky, I'll let the judge know.

Hope all is well!
